In an emergency can your child be given urgent medical attention/taken to hospital?

YES NO

Would you be on a parents' rota to help provide supervision at the club?

Is your child allowed to go home from the club on their own?

We sometimes use group photographs from the club on our web/social media pages or on club publicity material. Can we use a group photo from the club (without names) in which your child appears?

We sometimes put photos of (named) competition winners on our website. If your child wins a prize can we use a photo of them in this way?

Please note: Information you provide on this form will be stored securely on a computer and will not be shared with other organisations without your permission. We will only use it if we need to contact you, and to help us run the club. See www.chessgo.org.uk for our data protection policy.

Children may only attend club meetings without a parent if they are old enough / responsible enough not to leave the building during a meeting and not to run around inside the building. If a parent stays during a club meeting they are responsible for their child(ren) following these rules.
